Re: *Ayrton Doerr v. University of Delaware, et als.*  
Docket No. 2:16-cv-02738-JMV-JBC

Dear Judge Vazquez:

We have received and reviewed the Order granting defendant's motion to dismiss for lack of personal jurisdiction.

The plaintiff, Ayrton Doerr appreciates and is grateful to the Court for the opportunity to amend the Complaint. However, in light of the Court's finding that this Court lacks personal jurisdiction over residents of Delaware, no amendment could adequately address or correct the jurisdictional infirmity.

As the Complaint was dismissed without prejudice, the plaintiff has filed the action *pro se* in the United States District Court for the District of Delaware.

Thank you for your courtesies.

Very truly yours,

  
Dominic V. Caruso
